

Vocabulary Extension Assignment

Using the following 10 words from the Lesson 10 Vocabulary quiz, follow the instructions to create original sentences. Reference the Killgallon *Sentence Composing for High School* if you need a refresher on a particular sentence construction. Words that indicate Active or Passive Voice, must be written in that particular voice. Words that are labeled free form may be constructed in any way that you choose as long as the result is a complete grammatically correct sentence. **Alternative Assignment:** Choose your own 10 words from Lesson 10 and apply the instructions in any order.

1. Ingrate (Begin your sentence with a present participle phrase and make your subject campus-related)
2. Procrastinate (Use this word in a compound sentence after changing the current part of speech from verb to noun). **Passive Voice**
3. Nefarious (Begin your sentence with a prepositional phrase and use the word to describe a current event) **Active Voice**
4. Adulation (Begin your sentence with an adjective clause and discuss why it is often unhealthy)
5. Indulgent (Use this word as a verb and connect it to someone or something in our class).
6. Abstracted (Keep word in the current tense and use an absolute phrase to construct your sentence. You may use a sentence opener, sentence closer, or subject-verb split). **Passive Voice**
7. Miser (Use the word as an adverb in a compound-complex sentence and explain the associated behavior as a character flaw).
8. Predilection (Use word in a complex sentence and change form from singular to plural) Apply this word to sports or something in the sports arena. **Active Voice**
9. Viable (free form)
10. Transparent (free form)
